"Dominik as a director has fantastic sense of character and story, and grasp of the big picture while never missing details. He's editing while he shoots, maximizing every setup, take and minute on set." – Steve Eddy (Director and Head of Production for Netflix DACH)

Director with the mindset of a Producer.

Never compromises creative, while always keeping budget, schedule and logistics in mind.

Directing experience working with deaf cast and ASL interpreters.

A unique eye for creating and breaking down complex narratives and character arcs into manageable segments for a sustainable episodic production.
